

CTL BHP 2025

Response.Mumbai
@timesofindia.com

The CTL BHP International Expo and Conference 2025 returns for its 15th edition at the Jio World Convention Centre, Bandra Kurla Complex, Mumbai, on the 11th and 12th March. The event will bring together stakeholders from across the cargo, logistics, and shipping industries, providing a platform for discussions on the challenges, trends, and opportunities shaping the sector.

With over 100 exhibitors and more than 10,000 attendees from India and across the globe, the expo will showcase cutting-edge solutions in cargo handling, transportation, logistics technology, and supply chain management. It will provide opportunities for business networking, knowledge exchange, and collaboration, featuring state-of-the-art equipment and services designed to enhance efficiency in the logistics industry.

The conference, running alongside the exhibition, will focus on the evolving landscape of global shipping and logistics, covering topics such as sustainability, digital transformation, and strategies to navigate supply chain disruptions. The theme for this edition is "A transformative era in shipping and logistics - The Indian and global perspective."

Government officials and industry leaders will be part of the discussions, offering insights into policy changes, regulatory developments, and strategies for fostering growth and innovation. The event will also include specialised workshops such as the Heavy Lift Workshop and the Hazchem Masterclass, highlighting best practices, safety standards, and advancements in handling complex logistics operations.
