CTL BHP International Expo & Conference 2025

From page 3

promises to be a game-changer, with over 100 exhibitors and more than 10,000 attendees from India and around the globe converging to showcase the latest products, services and innovations in the sector.

The **exhibition** is set to feature a wide array of cutting-edge solutions in cargo handling, transportation, logistics technology and supply chain management. Attendees will have the opportunity to explore state-of-the-art equipment and services designed to streamline operations and enhance efficiency in the logistics industry.

The **conference** segment of the event will be equally compelling, bringing together leading lights and industry experts who will deliberate on some of the most pressing issues facing the sector today. Topics on the agenda include sustainability in logistics, the impact of digital transformation and strategies for overcoming supply chain disruptions. With a line-up

of esteemed speakers and panelists from across the spectrum, including regulatory authorities and the ex-im trade, participants can expect to gain invaluable insights and perspectives.

Workshop and Masterclass – Learn from the best

Adding to the allure of the event, a specialised **Heavy Lift Workshop**, to be conducted by **Mr Karsten Behrens, Managing Director, SAL Heavy Lift GmbH**, at the end of Day 1, will provide attendees with hands-on experience and practical knowledge. It will be particularly beneficial for professionals involved in the transportation of oversized and heavy cargo, offering them the latest techniques and best practices.

Furthermore, **Mr Shashi Kallada**, the renowned **Consultant & Trainer – Dangerous Goods By Rail, Road, River and Sea**, will hold a **HAZCHEM Masterclass on New Develop-**

ments & Safety Standards in HAZCHEM Cargo Movement, at the end of Day 2, emphasising the importance of safety and compliance in the logistics of dangerous goods. Participants will learn about the latest regulations, risk assessment methods and emergency response strategies.

CTL BHP International Expo & Conference 2025 is thus a must-attend for industry professionals to see the best on display, listen to thought leaders, learn from the experts, interact with peers, and network with key players in the sector. Whether you are a seasoned veteran or a newcomer to the industry, this event promises to be a pivotal platform for growth, innovation and collaboration.

Registration is on in full swing and about to close. Do not miss out on the opportunity to be part of a landmark industry event in Mumbai this March.
