CTL BHP 2025

From page 3

in policy and regulatory formulation, shaping the future of the shipping, cargo and logistics sector.

Some of the eminent participants are shown in the accompanying box.

The event will provide a unique platform for these officials to share their perspectives on the evolving policy and regulatory landscape, address pressing industry challenges and outlining initiatives aimed at fostering growth and innovation in the sector. Their perspectives are expected to offer invaluable insights and foster collaborative efforts to enhance the efficiency and competitiveness of the cargo and logistics industry.

In addition to government representatives, the event will feature an impressive line-up of prominent industry professionals, including CEOs, entrepreneurs and thought leaders from leading logistics companies and manufacturers/shippers. They will bring a wealth of knowledge and experience, offering diverse viewpoints on emerging trends, technological advancements and best practices in the field.

The conference sessions and panel discussions will cover a wide range of topics. Attendees will have the opportunity to engage with speakers, participate in interactive sessions and network with peers.

The exposition, without doubt, will be a landmark occasion in the industry, bringing together more than 100 exhibitors and attracting over 10,000 attendees.

CTL BHP International Expo & Conference 2025 is thus a must-attend for industry professionals to see the best on display, listen to thought leaders, learn from the experts, interact with peers, and network with key players in the sector. Whether you are a seasoned veteran or a newcomer to the industry, this event promises to be a pivotal platform for growth, innovation and collaboration.

With a focus on operational efficiency and trade-centric services, JNPA continues to propel India's maritime trade growth, emphasised a release.

Shutdown of BPCL Liquid Cargo jetty in April

Exim News Service

NAVI MUMBAI, March 4

A COMPLETE shutdown of operation at the BPCL Liquid Cargo jetty, at JN Port, has been scheduled from April 8 to April 12, 2025 to facilitate the Pipeline Trestle Strengthening Project. During this period, critical activities such as cutting, welding and grinding will take place at the jetty.

As a result, no vessel operations will take place at LB-01 and LB-02 during the scheduled shutdown, informed a Bharat Petroleum Corporation Ltd Trade Notice.
