CTL BHP 2025

From page 3
(March 11-12) mega show is expected to be a landmark in the industry, drawing in over 100 exhibitors and an estimated 10,000 attendees from India and worldwide.

Registration begins at 10.15 am and the expo will be inaugurated at 10.30 am. The Inaugural Session of the conference commences at 11 am.

Key Highlights

★ **Exhibitors:** Over 100 exhibitors showcasing the latest advancements in cargo and logistics products, technology and services.

★ **Attendees:** Approximately 10,000 industry professionals, stakeholders and enthusiasts from India and abroad.

★ **Conference Sessions:** Eight sessions featuring prominent headhunchos, professionals and thought leaders from the cargo and logistics sector as speakers and panelists.

★ **Value Additions:** Specialised

sessions including Heavylift Workshop and Hazchem Masterclass.

The comprehensive conference agenda covers every aspect of shipping, cargo, logistics and more, including the perspectives of leading shippers, and will see participation from a veritable who's who of the fraternity, renowned industry experts, as well as prominent officials associated with government entities and regulatory authorities. The conference will offer attendees a golden opportunity to gain in-depth knowledge and insights on the current scenario, the latest trends and key innovations shaping cargo movement and logistics.

The theme of the conference is 'Transformative Era in Shipping & Logistics - The Indian & Global Perspective'.

Adding further value to the event, the conference will host specialised programmes such as a Heavy-lift Workshop and Hazchem

Masterclass, conducted by leading domain experts. These will provide attendees with hands-on training and the latest information on the modalities of handling heavy and hazardous cargo, underscoring the event's commitment to elevating industry standards.

CTL BHP International Expo & Conference 2025 is thus set to be an ideal platform for attendees to witness the best on display, listen to industry stalwarts, and engage with stakeholders and professionals from far and wide. The event presents a unique avenue for networking, forging partnerships and staying abreast of the latest developments in the cargo and logistics sector.

As the industry gears up for this grand gathering, Mumbai is poised to become the epicentre of logistics services, innovation, perspectives and knowledge over the next two days.

FFFAI to host 25th Biennial Convention

From page 3

May 29 to 31, 2025 at Taj Cidade De Goa. The theme, "Enhancing Strategic Partnerships: Unleashing Potential," has been thoughtfully conceptualised considering the potential for youth, women, entrepreneurs in the field of export and import logistics.

This is the most awaited event in EXIM Logistics, focusing on gearing up for the next level by the entire fraternity i.e. Custom Brokers, Freight Forwarders, Logistics Service Providers, Shipping Lines, Airlines, Multimodal Transport Operators etc.

The convention will see three power-packed days of thought leadership, policy conceptualisation, understanding the future trends in the industry, along with networking and knowledge-sharing, which will provide immense business opportunities and industry collaboration—all in a vibrant, family-friendly setting. Don't miss the chance to connect, grow and elevate your business at this

must-attend gathering.

Premier industry event

According to FFFAI Chairman, Mr Dushyant Mulani, the Biennial Convention is a premier event for the industry. The speakers and the business sessions have been thoughtfully conceptualised for enabling the attending delegates to gain knowledge of emerging business opportunities, technological advancements, digitisation, trade facilitation, skill development, and updates on Customs and government policies, all aimed at benefiting the trade at large.

"We are also committed to fostering next-generation leadership in logistics. This year, we strongly encourage greater participation from young professionals and women, enabling them to explore the vast potential of the industry.

Our goal is to provide insightful strategies to the entrepreneurs for growth and also to make this industry a career of choice," he said.

FFFAI Immediate Past Chairman and Convener, Mr Shankar Shinde, underscored the importance of the FFFAI Biennial Convention, calling it the most anticipated logistics event in the country.

"The industry is eagerly looking forward to the FFFAI Silver Jubilee Convention in Goa. Following the overwhelming success of the Chennai Convention in 2022 and the Diamond Jubilee Celebration in New Delhi, the expectations are high for another grand industry gathering," he emphasised.

He further highlighted that the FFFAI Convention offers a unique platform for members with thought leadership and skills to engage, network and collaborate with industry leaders, policymakers, senior functionaries and all key stakeholders. This time the response from international logistics

professionals and companies is also very encouraging. Given the high level of interest and global participation, registrations are expected to close even before the Early Bird Discount deadline.

Mr Amit Kamat, Chairman-Elect of FFFAI, announced that the Biennial Convention will feature esteemed speakers, including Central and State Government Ministers, senior Customs and Government Officials, and key industry stakeholders. These distinguished leaders will share their insights during the inauguration and various business and technical sessions, making this a highly impactful event for the logistics community.

FFFAI is taking forward the message the Hon'ble Prime Minister gave during the launch of the National Logistics Policy: "Policy + Performance = Progress".

"Let us all be part of the Bharat story for growth and globalisation," FFFAI emphasised in a communique.
