## Exports remain resilient despite global geopolitical tensions and logistics disruptions impacting trade environment

Exim News Service

NEW DELHI, March 16

COMMENTING on the latest trade data for February 2026, Mr S. C. Ral-

han, President of the Federation of Indian Export Organisations (FIEO), said that India's export sector continues to demonstrate

resilience despite rising global uncertainties, supply chain disruptions and escalating geopolitical tensions.

According to government

data, India's merchandise exports stood at USD 36.61 billion in February 2026, showing a
